WHO WE ARE

At Long Island Iced Tea we carefully crafted an iced tea that reminds you of those sun-drenched days spent on the beach. With our founder a proud Long Islander, born and raised on these pure shores and a self-proclaimed “health-nut”, every sip releases a sense of guilt-free escapism from your surroundings.

OUR TEAS

Using only natural fruit flavoring, pure 100% cane sugar and non-GMO tea leaves (unlike the other guys that prefer to use tea-flavored syrup powder), a refreshingly natural beverage was created. Natural and Premium, from Mother Nature's Top Shelf.

LEMON

When you get down to it, lemons are pretty wonderful. We mix our freshly brewed black tea with a splash of lemon flavoring and a dash of pure cane sugar for a slightly sour, slightly sweet taste that's as memorable as the first day of summer.

INGREDIENTS: BREWED BLACK TEA USING FILTERED WATER, CANE SUGAR, NATURAL FLAVOR, CITRIC ACID

PEACH

We aren't Southern, but our Peach Iced Tea sure makes us feel that way. Juicy and perfectly sweet (Mawmaw would approve), it's refreshing enough for the dog days of summer and delicious enough for the whole gosh darn year.

INGREDIENTS: BREWED BLACK TEA USING FILTERED WATER, CANE SUGAR, NATURAL FLAVOR, CITRIC ACID

MANGO

Delicately blending the often called "super fruit" with black tea makes for a "Super Long Island Iced Tea." Just open the cap and inhale the exotic aroma and sip the tropical sweetness... close your eyes and be transported to the tropics.

INGREDIENTS: BREWED BLACK TEA USING FILTERED WATER, CANE SUGAR, NATURAL FLAVOR, CITRIC ACID, MALIC ACID

COMING SOON: *LEMONADE*

Introducing our all new Lemonades infused with a splash of tea and made with real fruit flavors, 100% raw cane sugar and non-GMO ingredients for a crisp, refreshing and all real, all natural taste.

CHERRY

You cannot go wrong with cherry. So we thought: what can it make our Lemonade? Well we think it makes it dynamic. Cherries with their darker flavor add depth to our Lemonade resulting in a delicious drink!

INGREDIENTS: WATER, SUGAR, LEMON JUICE FROM CONCENTRATE, NATURAL FLAVOR, FRUIT AND VEGETABLE JUICE FOR COLOR, GUM ACACIA.

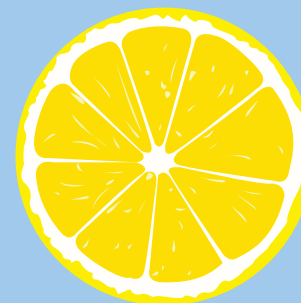

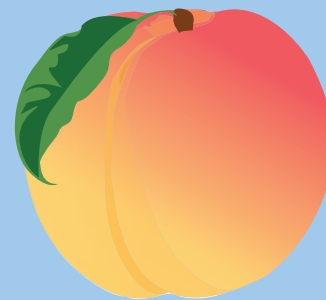

LIME

It's not simply just for tacos anymore. Our limeade will prove that lime is the thing that has been missing from your everyday life. It's got pizzazz, personality, and packs more of a punch than any lemon.

INGREDIENTS: WATER, SUGAR, LEMON JUICE FROM CONCENTRATE, NATURAL FLAVOR, CITRIC ACID, ACACIA, BETA CAROTENE FOR COLOR.
